PageMaker Brochure Project

- Each student must choose a topic to prepare a final brochure using PageMaker.
- Some previous topics: A menu, vacation spots, academic subjects, nail salon services, professional sports teams...
- Your final project will be graded on originality, creativity, and design concepts discussed in class.
- The brochure must be informative, factual and appropriate for class.
- It cannot be on a fictitious subject.
- All topics must be approved by me.
- Be sure to plan accordingly and choose a topic that has enough information to fill the brochure.

A thumbnail sketch and paragraph detailing the brochure is due on _____
